

Brewer Yacht Haven Marina

Winter Service Request

The following is a list of routine winter services that are available. Additionally, you will find some services that are available that you may not be aware that the marina offers. Please call with any projects or repairs that you may be considering. We can help plan and guide you through these repairs and encourage you to call us for further discussion. If you have requested (on your commissioning form) that we perform any of the below items, it is not necessary to request the equivalent on this form.
